Bree, you are taking this scripture out of context. James is specifically referring to favoritism between the wealthy & the poor. Those who are poor don't necessarily choose that as those who Do Choose to defile their bodies, the temple in which the Spirit dwells, by homosexual acts. Read the book of Leviticus 18:22

"Do not lie with a man as one lies with a woman; that is detestable." In fact , the heading for chapter 18 is: Unlawful Sexual Relations. So you might want to read all of it through verse 30. Verse 24 tells us not to defile ourselves in any of these ways previously mentioned.

This baker is following God's instruction, it's not about favoritism at all. You can still love the person but not honor their sinful choices. This baker chooses to honor the Lord & His word.

I urge all people to boycott this business practicing discrimination is not practicing treating people with respect, no Terrible Crow laws. You saw what Jim Crow did to the south also falsely defended on religious grounds. Shame on you for saying this is the example Jesus practiced try reading the Beatitudes in Mathew.

Every year I do something special for my boyfriend's birthday. Since we live far apart I always send him something special via mail. After hearing all the hype about Tastries, I decided to try give it a try.

I called the shop and they were able to take my order. Red flag number one was that some of the cupcakes I wanted to order (which were displayed on their website) were no longer available, but, they decided to make an exception since they had no idea they were even posted on the website in the first place. I went on with my order and was guaranteed a delivery date and a specific time.

Later that week when the cupcakes were to be delivered to my boyfriend's work, they arrived almost an hour late and most were toppled over and some were smushed. When he sent me a picture I was devastated. It just seems very unprofessional for a bakery that has "aquired" such a good reputation. I wish I could get my money back. I will not be ordering from here again.

Make sure you don't have your order delivered. They were not only toppled over and smushed but almost an

Verse of the Day

If you're abused because of Christ, count yourself fortunate. It's the Spirit of God and his glory in you that brought you to the notice of others. If they're on you because you broke the law or disturbed the peace, that's a different matter. But if it's because you're a Christian, don't give it a second thought. Be proud of the distinguished status reflected in that name!

Paul, hate has nothing to do with it. Anyone who thinks so is ignorant of Christian beliefs. Just because it is against our religious conviction to support same sex marriage doesn't mean we hate. We are following what God has taught to be right. It doesn't mean we hate our gay brothers and sisters, it simply means we cannot support their union to one another. Y'all are the ones acting hateful. How hard is it to seek another bakery?? 🤔

Your pic is lovely. Such wasted talent really. But, because of you I will go forward and no longer judge a product by it's quality, but rather by the quality of character of it's producer. You have no character, and you judgement and hate for your fellow humans, God's children, is unacceptable. I guarantee that a savior that died for our sins is not behind you in this, you waste his sacrifice for peace.

Sean Bove, just because she does not support gay marriage does not mean she hates anyone. You, in turn, have no business pushing your beliefs on her. She referred them to a bakery that could accomodate their wishes. If she wanted to hurt them she would never have given them the name of another bakery. Quit being an ass and understand that no one has to go against their beliefs when there are plenty of avenues for the couple to take. They are just out to make an example of someone. She is an artist and as such she can choose who commissions her work. You cannot force a painter to paint you, a sculptor to create a bust of you and you cannot force her to make her creation for you. Get over it.

Oh, btw, before you come back at me for being a "f***ing Christian.... I am an atheist who believes in live and let live as long as you hurt no one and this cakemaker didn't hurt anyone. She is not the only cake artist in town.

Jose, the 1st amendment applies to ALL citizens.

When citizens enter a public accommodation, they are consumers. Because so much religious bigotry existed in the country - the Civil Rights Act of 1964 was enacted to protect citizens from discrimination based on their religious beliefs, their gender, their national origin, and their race.

Since then, states and local governments have added protections to protect their citizens from discrimination while shopping - including their gay citizens, the elderly, their sexual orientation and handicapped citizens.

All owners of public accommodations are required to have a license to operate legally. By acquiring this license, they are agreeing to obey all the rules, regulations and laws, including federal, state and local civil rights acts!

You look very lesbian like honey.. Us it jealousy that made you turn against fellow human beings.. Just like Jesus taught you.. You are a mock Christian and God is ashamed of you.. You are the bitch that will burn in hell... Pathetic excuse for a person, a woman and a human being.. You are no Christian lady, daughter of Satan..
